Self-Serve microfilm

4 items loaned to PANS per Judy Boss, Nova Scotia Museum, for microfilming. Originals are the property of C.D. Davison. Diaries and scrapbooks of Edward Davison Sr. (1819-1894), lumber merchant, M.L.A. and resident of Bridgewater.

The material was microfilmed in the following order:

1. Diary, March 1885-March 1886.
2. Diary, January 1888-September 1888.
3. Diary, August 1889-March 1891.
4. Scrapbook, dated 1883, but with entries to 1895, containing newspaper clippings, quotations, genealogical material, etc. [This may have been kept by Edward Davison Jr., as it includes the obituary of Edward Sr.; the handwriting, however, appears the same as in the diaries.]

Other diaries are available in manuscript form in PANS MG 1: Davison Family Papers. Many of the firm's business records are also available at PANS.

FORMERLY: Micro: Biography: Davison, E.D., Sr.

ACCESSION N°: Micro 1975-28.
