R61 v. 49 mlf 15237

Pg.	Year	Date		
1	1783	21 Oct.	Hfx.	John Wentworth to Duke of Portland (First Lord of the Treasury) - regarding arrival in Hfx. In Sept., and the undertaking of duties as Surveyor General of Woods; report upon tour of area made after arrival.
4	1783	21 Nov.	Hfx.	J. Wentworth to Commissioners of the Treasury - regarding regulations for timber and surveying, and province as a source of raw material.
5	1783	21 Nov.	Hfx.	Ibid. - regarding £500. of expenses to be drawn.
	1783	30 Oct.	Hfx.	* J. Wentworth to Gov. Patterson of Island St. John's - notify of appointment of one Mr. Stuart as deputy in that region; best wishes as old friend.
6	1783	27 Nov.	Hfx.	J. Wentworth to Lt. Davidson at River St. John's - requesting presence, assistance in Hfx.; also notify exact state of timber regulations to be communicated to all concerned.
9	1783	30 Nov.	Hfx.	To: Gov. Patterson - regarding state of public and crown rights to timber; inst. being sent to Stuart for surveying; also note on state of Hfx. in lieu of approaching evacuation of New York already filled to capacity.
11	1783	21 Oct.	Hfx.	* To: John Fisher - regarding conflict in which both were involved over land belonging to them and others in Pictou region which was being granted to disbanded 82 nd Regiment through process of escheat. Major Robertson insisting on the land and sending troops there to settle, where alternate properties available. Also regarding arrangements made to settle 120 Connecticut families in spring of '84; again alternate lots.
12	1783	21 Dec.		To: Sir John Henniker - regarding escheat proceedings, which discussion with Gov. Parr had seemingly halted, now proceeding again; concern for 120 Loyalists from Connecticut who had been promised land following spring. Requesting Henniker to obtain recommendation from L. North to Parr advising discontinuance of proceedings on behalf of 82 nd Regiment. Only disruptions of -----, which rendered impossible fulfilment of land grant conditions, now permitted escheat proceedings, which should not in justice be applied rigorously (cite ex. of Acadian Co.). Some consideration

12	1783	21 Dec. (cont'd)		<p>should be made to plans to aid Loyalists, with best interests of Province at stake. Continued escheat proceedings would only deter prospective settlement and therefore, harm the province. States quite strongly the potential of the province if wisely encouraged and developed through enlightened policy; and the moment for development then ripe. Further suggestions as to disposition which should officially be adopted.</p> <p>Short statement (on his official capacity) regarding timber supplies for British Navy.</p> <p>Enclosed memorial to Gov. Parr - stating position of owners of property in Pictou area again whom escheat proceedings were being undertaken.</p>
20	1784	12 Jan.	Hfx.	Memorial to Gov. Parr on behalf of John Fisher and himself.
22	1784	25 Jan.	Hfx.	To: John Fisher - regarding attempts to settle by 75 ex-soldiers even prior to escheat proceedings; institute measures against them as trespassers, but Court proceedings continually deferred due to poor administration; Gov. Parr in discussion was civil and concerned.
25	1784	24Feb.	Hfx.	To: Paul Wentworth - 19 slaves sent by schooner to ----- for P. Wentworth (along with provisions) to be used on estate - "a most useful lot of Negroes". Request list of articles needed - estab. trading relations for future; request return of certain commodities.
28	1784	18 Mar.	Hfx.	To: Messrs. Lynchor and Thomson (Surveyors in Shelburne) - regarding granting of properties in Shelburne - advise restrictions on timber grants, request information on sources of white pine to be reserved to the Crown Land grants permissible outside Crown restrictions as outlined in Town Plot and any other plot description submitted for certification.
30	1784	20 Mar.	Hfx.	To: Governor Parr - regarding amendment to land grant ----- - stating that land granted which falls within domains of Crown reservations is automatically null and void.
31	1784	08 Apr.	Hfx.	To: Mr. Thomson - requesting Certificates be sent directly to him and requesting outline of Shelburne survey of town and other plots (50, 200, and 500 acre lots),

32	1784	10 Apr.	Hfx.	To: Mr. Grey Elliot - explain difficulties of carrying out surveys due to heavy winter. Complain of lack of explicit provision in the Laws for Crown reserve on timber; complain of trespass, facilitated by the war. Expound upon virtue of N.S. as source of settlement, particularly in crisis following end of war; concern that population might outstrip available areas of settlement - suggest methods of retaining otherwise transient immigrants.
36	1784	36698	Hfx.	To: Gov. Parr - enclose descriptions of reservations made in Shelburne; officially instructed to request Gov. Parr make known that all land grants would require certificate of validity before made.
37	1784	June - July	Hfx.	To: Thomson (Deputy Surveyor in Shelburne) - request clear marking of reserves to avoid confusion and embarrassment.
38	1784	07 July	Hfx.	To: Mr. Thomson (Secr. of Sate of New Hampshire) - regarding request of return of any Public Records pertaining to that State.
39	1784	05 Oct.	Hfx.	To: Mr. Davidson (River St. John's) - regarding grant of commission to cut 100 pine trees for Crown services; to be supervised with diligence. Also include questionable grant conflicting with Crown Reserve.
40	1784	10 Oct.	Hfx.	Mr. Gilbert Horney, merchant - regarding request to estab. vessel ----- Brit. Bottom - negative.
42	1784	08 Oct.	Hfx.	* To: Commissioners of the Navy - instructions sent from Eng. Nov. 1783, arrive Hfx. via New York in Aug. '84 - first opportunity to advise doing duty faithfully as Surveyor of Woods. Report (according to Instructions) not possible till late Nov., after which will be drawn up annually according to format. Besides timber, reserving convenient plots of land in each support for emergency landing and loading (particular emphasis on Shelburne, Port Rosemary), where restriction against private grant was strictly observed. Report on timber situation throughout Maritime region and provisions made to secure Crown rights where necessary. Report on state of laws, their necess. amendment and state of enforcements and acceptance. Timber enough to supply British needs for many years to come, under proper reservation. Request for more materials for conducting surveys.

58	1784	07 Oct.	Hfx.	* Mr. Steele (Secr. To Commissioners of the Treasury) - report almost identical to that made to the Commissioners of the Navy. Frequently emphasized in this and other letters the economy to be realized by his measures, which will save the Treasury unnecessary expense.
66	1784	06 Dec.	Hfx.	To: Gov. Carlton - informing him of appointment of Benjamin Marston and John Davidson as Deputy Surveyors for the Province of New Brunswick and familiarizing him with their duties and procedures.
