

The Multicultural Council of Halifax - Dartmouth is similar to the Multicultural Association of Nova Scotia (MANS), with common aims and purposes. The difference is geographical. The Council is the older of the two, having been established in 1973 (The Multicultural Association of Nova Scotia was founded in June, 1975). The Council consists of representatives from ethnic societies and associations which exist in the Halifax - Dartmouth area, including the Polish Association, the Italian Cultural Society, the Indo-Canadian Association, the Canadian Lebanon Society, the Portuguese Society, the Greek Society, the Black Society, the German Speaking Association, the Caribbean Society, the Russian Association, the Jewish Society, the Chinese Cultural Centre, the Dalhousie French Club, the Cultural Filipino Association of Nova Scotia, the Irish Cultural Association and the Native Communication Society. The Council's activities include radio programs, language classes, immigrant orientation, ethnic exhibits, multicultural concerts and stage presentations:
