It is interesting to note that Deacon George has been the Church Treasurer for 22 years, retiring from this position in January, 1983.

She came from a family of 4 and received her education in Africville and Richmond schools. Mrs. Johnson also took 4 years of voice training at the Halifax Conservatory of Music and, at the same time, she studied piano from her sister, Jessica, who was also a student at the Conservatory. Later Mrs. Johnson went to Alexandra MacKay Evening School for a course in Bookkeeping. Mrs. Johnson's education did not stop here as she continued taking courses over the years. In 1972 Mrs. Johnson attended the Maritime School of Social Work under the auspices of the Department of Education, Continuing Education, Adult Division and received her Certificate for Indigenous Community Worker.

In 1946 Mrs. Johnson was married by Dr. W. P. Oliver to Gerald J. Johnson and in 1948 moved to Cobequid Road and joined the Cobequid Road United Baptist Church by letter from Seaview Baptist Church. Her knowledge of Christian Service did not start here as in 1929 at the age of 10 she was Baptised by Dr. W. A. White at Seaview Baptist Church.

From 1948 through 1964 Mrs. Johnson held many positions in the Church, including: Church Janitor (1948-1960); Sunday School Teacher and Superintendent; President of the Ladies Auxiliary; Trustee; Treasurer; Organist and Choir Director; and delegate to District Meetings and Associations. Mrs. Johnson was the first woman to become Chairman of District #2 and also made the first set of Choir gowns for Cobequid Road.

Mrs. Johnson served in many offices at the Union United Church of Canada, Montreal, from 1964-1969, which included: Board of Sessions, Board of Stewards, Supervisor of Girl Guides and Brownies, President of the Choir and House Committee.

Upon returning to Cobequid Road, Mrs. Johnson resumed her activities in the Church, Association and Community. She has been a member of the Loyal Wilberforce 7336 I.O.O.F., since 1963. Mrs. Johnson's outstanding Volunteer service was noted this year when she was nominated for the Annual Recognition Awards at a Dinner, sponsored by the Y.W.C.A. Mrs. Johnson's activities are not solely restricted to the Bedford-Sackville area. She is often seen aiding organizations in other communities, but no matter which group she is with, Mrs. Johnson is proud of the fact that she is a resident of Cobequid Road.

Mrs. Johnson is classed by some as the "Mother" of the Cobequid Road Church. Her Christian life has been an inspiration to all that know her. Mrs. Johnson has shown the people of Cobequid Road that through Faith in our Saviour, Dedication and Hard Labour, we can achieve things thought impossible.

CULTURAL NEWS:

A RELIGIOUS NOTE:

One truism of our Christian life is getting along with other Christians (John 13:34,35). Satan delights in sowing discord among the Christian Family.

When we discover problems developing between ourselves and others we should pray; "Lord, help me to change". Let us not find excuses to blame the other person. Christians must have fellowship otherwise it is sin as in 1 John 1:7. Also, we must put self out of it. Our self esteem and pride often comes between us and reconciliation with others. Bitterness towards others and joy in the Lord does not go together. The more we seek to joy in Christ than these bitter feelings leave us.

Also, Christians must be willing to "go the second mile". Suppose you are not at fault still we must seek desperately for fellowship even if it means going to your fellows and seeking fellowship. Some Christians lack maturity in Christian growth, so the strong must support and help the weak.

Envy and strife amongst Christians acts like a disease. It not only afflicts those infected, but it can spread to others. Families become involved, friends take sides. Who is benefitting? Satan. When the house is divided it can fall.

Going elsewhere does not solve the problem. You still must reconcile the difference otherwise you carry this sin in your heart. So, let's love one another. We may not agree with one another in everything, but there is a real need to love each other in the Spirit of Christ.

SPORTS NEWS:

Rockets News:

Last Wednesday night, August 3rd against Scotia Legion, the Rockets came to play. The Legion got on the board first. Then in the 4th inning the Rockets tied it up when Brian Higgins hit a single and was brought in by a Terry DeLeon triple. That tied the game 1 - 1. Then in the 6th Brian started it again by hitting a two out single and drove in again by Terry DeLeon. Then Ken Newman hit Terry in with a single to make the score 3 - 1. The Legion scored a run in the bottom of the 6th. In the seventh the Rockets exploded when the Legion changed pitchers and put in their ace Dana Angle. George Borden started it off with a single, then Craig Smith singled and both of them scored on a Martin DeLeon single. Martin moved on to third when the Legion threw the ball away. Paul Blackmore then suicide bunted Martin in to finish the scoring and the game. Terry held the Legion down in the bottom of the inning to go on to win the game 6 - 2. Go get it guys! KEEP UP THE GOOD WORK.

Thursday's game against C.F.B. was rained out.

On Monday against C.F.B. the Rockets got off to a real bad start. C.F.B. hit Perry Ashely hard and the gys just made error upon error. So with this C.F.B. took a 6 - 1 lead over the Rockets. In the top of the 6th inning the Rockets came to life. Joey Higgins starts it off with a walk and Brian Higgins follows with a walk also when CFB changed pitchers. Then Perry Ashely hits a single but nobody scores and bases are loaded. Greg Herritt comes to bat and hits a grounder to short stop and they get Joey going home. With one out and bases still loaded Bobby Clyburn gets a walk and Brian Higgins scores to make the score 6 - 2 and Kenny Newman comes to bat and gets struck out. Kenny had a triple earlier in the game but couldn't score. Donny Downey is scheduled to come to bat but then Martin DeLeon, playing coach for the Rockets, signals to Terry DeLeon to pinch hit for Donnie. As Terry is getting ready to get in the box, the CFB coach is signaling to his outfield to come in. Terry gets in the box and takes the first pitch and puts it in center field over the fielders head and runs right around the bases and scores an inside the park grand slam for the Rockets to tie the game at 6. That was all for that inning but in the top of the seventh the Rockets went again. Paul Blackmore singled and Joey Higgins K'd (strikes out). Brian Higgins singles and so does Perry Ashely again. Then Gregg Herritt comes to bat and hits a single to score two runs and that was it for the Rockets scoring.

In the bottom of the 7th, CFB gets a man on with a walk and the next guy gets on when he hit the ball down to Joey Higgins at first base and the ball spins out of his glove. Then the next guy comes to bat and strikes out. With two out the next C.F.B. batter hit the ball down to first again and the same thing happens, it spins out of Joey's glove and Perry Ashely picks it up and throws it to Craig Smith covering first. The ball gets away from Craig and goes out in right field aways and CFB scores one run and as the next guy comes in to score, Bobby Clyburn fires the ball to home plate and Donnie Downey covers the plate and tags the man out to end the game. The Rockets win the Mar-a-Thon of Hope 8-7. You can't wait like that anymore guys or it won't end up in your favor anymore. Let's go. We would also like to say thanks to fans who had faith in us and stayed until the last out instead of leaving. We'll see you at the next game.

Tuesday night's game against the Legion the Rockets started right off the bat. Joey Higgins hit a triple and scored on an infield single by Brian Higgins. This all happened in the first inning. The Rockets scored again in the fourth when Brian hit another single and was put out at second on a fielders choice when Terry DeLeon tried to move him there on a sacrifice bunt. Terry moved on to third when Kenny Newman made it to first on an overthrow and Terry scored on a pass ball at the plate. This made the score 2 - 0 for the Rockets. The Legion scored and the Rockets scored 2 more runs in the sixth by Brian Higgins and Perry Ashely and in the seventh Martin DeLeon scored to make the score 5 - 1 in the Rockets favor. Keep going guys you'll get your respect sooner or later.

On Wednesday night against CFB - will be in next weeks issue.
 Next games Sunday 5:00 and 6:30 pm at the Canada Games Diamond
 at the Commons against Scotia Legion and CFB.
