164 A & B. Evacuation of Jersey.

Recorded by Helen Creighton.

March 25, 1944.

At my home, Dartmouth, Nova Scotia.

Informant; Mrs. E. Tilley, Windsor, Nova Scotia; middle aged; teacher in a girl's school.

Mrs. Tilley was living on the island of Jersey at the time of the evacuation. Her story is more lengthy than I expected, but I found the script very interesting, and thought it would be a pity to leave any of it out. It is continued on 165 and 166A.

165A & B. Evacuation of Jersey continued.
