### Release Pending Determination of Appeal.

s.608(1) A judge of the Court of Appeal may release an appellant from custody pending the determination of his appeal ... if the appellant establishes that [608(2)] (a) his appeal is not frivolous;

- (b) he will surrender himself into custody in accordance with the terms of the order; and
- (c) his detention is not necessary in the public interest.

s.608(3) - Must give written notice of application to Prosecutor

s.608(7) - if direction for relevance under s.617, s.608 applies <sup>(W.C.)</sup>

Ex: R. v. Brant (No.2), (1972) 7 C.C.C. (2d) 560 (B.C.C.A.)

Application for release pursuant to s.608(7) - A trial had been ordered by C.A., relating to a count of charge. Held, the onus is still on the appellant to satisfy the court as to 3 matters in 608(3) - not frivolous

- app. will surrender himself into custody
- detention not necessary in the public interest

s.608(3)(c) - not necessary in the public interest means his release will not be detrimental to the public consider in the administration of justice

- R v West (1972) 2 C.C.C. (2d) 369 (S.C.A.) per Hale, J. at p. 375; reh'g to S.C.B.:

... I prefer to think that the review should take the general form of an ordinary appeal and not be a hearing de novo or one in which either side has the right to submit additional material to the Court of Appeal. However, while no such right exists, the Court, as in appeals, can grant leave in the usual way and upon the usual grounds to a party to produce new evidence. He did so in this instance, accepting a written agreement by counsel as to additional facts and affidavits of two Crown officers, overriding the applicant's objection to the reception of one of them."

(3) Key case: R v White (1982) 50 N.S.R. (2d) 113 (N.S.C.A.) citing R v Demeyen (1975), 26 C.C.C. (2d) 324 (Sask. C.A.) c. approval.

per Buttiglione

Demeyen: "The proper application, in my view, is to give to public interest a comprehensive meaning and to decide in the circumstances of each case whether or not the public interest requires the prisoner's talents."

- certain affidavits have already been filed relating to nature of the proposed fresh evidence and based on the information contained therein it may be in the <sup>public</sup> interest of the proper administration of justice + enforcement of the criminal law that <sup>it</sup> be released!
- indeed it is submitted that

Reasons for present application by the Appellant:

- (1) Uncertainty as to length of time to receive present Reference ~~or~~ <sup>by appellant</sup> ~~or~~ an inability to make certain plans for future; ~~against~~ <sup>Tues. 18/6/71</sup> ~~with~~ applies to P.B. as well.
- (2) Present restrictions of N.P.B. requiring appellant to live at C.C. 2 days per week, again uncertainty remains; any movements outside the jurisdiction of N.L.C. requires ~~express~~ <sup>express</sup> with consent of C.C. staff; similarly consent required to attend.
- (3) App. has been in custody since June 4, 1971 & late and

(4) Inability of P.B. to do so still to set out a plan
