Dear Mr McLooney,

I would like to express my appreciation for your prompt visit. As I tried to explain during our talk I felt that it was important for me to be heard by the Commission not only for Junior's sake but to take a stand against certain news that are mistakenly upheld in small communities. If those in power would listen to the concerned citizens of our land maybe Sydney would be the wonderful paradise depicted by the tourism industry.

For the next several months I will be in the Toronto area. I tried to reach you before I left but you were no longer at Keddys. I can be reached at the above address should you need any clarification on the statements I made. My phone service in Sydney will be re-connected when I return to Cape Breton, hopefully by the beginning of July.

I trust that you ~~and~~ and Mr Horne are making steady progress with your work.

Yours,
Chip
