Dear Mr. Tucker:

Thank you for your letter of March 15, 1988 to David Orsborn. Mr. Orsborn has considered your letter and asked me to respond.

Unfortunately, I do not think there is any way we can help you. Our mandate is to look into all matters related to the Marshall case. We are also looking into several specific cases which involve broader issues that have been raised by the Marshall case. Our Terms of Reference do not permit us to go beyond matters which we deem relevant to the subject of our Inquiry.

If you are unhappy with the result of your trial, you should perhaps get legal advice as to the possibility of an appeal. I am sorry that I can't be more helpful.

Yours truly,

Susan M. Ashley,

PERSONAL & CONFIDENTIAL

David Osborne
Counsel, Marshall Inquiry
Halifax, Nova Scotia

Dear Mr. Osborne:

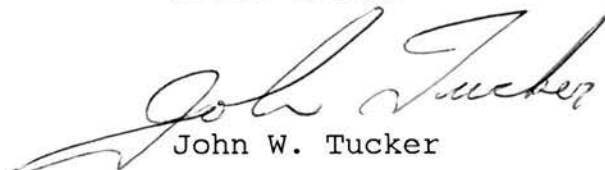

I need your assistance in having a review made of my case which has resulted in me being incarcerated and I need extra-ordinary help.

Briefly, I have been jailed for committing fraud against I.E.L. and DREE by altering invoices for equipment I sold to my company Mulgrave Pumps & Strainers Limited and which I.E.L. and DREE now say that I was not permitted to do as these were non-arm's length transactions.

Unfortunately I was instructed by the Representative of I.E.L., Mr. Tony Krauch to do this, and how to do it. In addition, he agreed to take care of any objections DREE might have to this process. The evidence at my trial showed clearly that both I.E.L. and DREE paid the invoices knowing full well these represented non-arm's length transactions. Also, there are what I consider to be irregularities in the conduct of the R.C.M.P. and Messrs. Stewart, MacKeen & Covert (I.E.L.) and the staff of I.E.L. and DREE.

As you will note I am in jail and it is very difficult for me to know who to contact to obtain assistance and I desperately need your help. You may contact me at (902) 564-4478.

Yours truly,

John W. Tucker
