

MAYNARD CHANT, by Mr. Orsborn

1 A. I remember one of the -- one of the young ladies giving the
2 fellow that was with me a kleenex for his arm. I can't
3 really remember if there was any conversation between us or
4 them or -- I -- It's very, you know, very vague as far as
5 even to remember it.

6 Q. Would it be fair to state that because of the offer of a
7 kleenex that there was in fact some bleeding from the arm?

8 A. Probably at that time.

9 Q. I think on one of the statements that you gave the R.C.M.P.,
10 Mr. Chant, you identified one of these girls as Patricia
11 Harriss. Is that in fact your recollection?

12 A. According to the statement?

13 Q. Yes.

14 A. Or according to the trial?

15 Q. I know you've got it all built up but according to your memory
16 is that in fact a -- is that a correct statement?

17 A. Yes, that would be --

18 Q. But you say you didn't recognize her if you're still able to
19 name Patricia Harriss.

20 A. Oh, I -- I don't know if -- I don't believe that I named her
21 as far as her name. Probably -- The only probably time I
22 give her name is when I found out who she was but I didn't
23 know her at that time, no.

24 Q. Are you telling us now that one of those girls that you met
25 on the street was in fact Patricia Harriss?

MAYNARD CHANT, by Mr. Orsborn

IV
Mrs Marshall 564-9835
562-0991

1 A. Yes, I later learned to find out that it was Patricia Harriss.

2 Q. You didn't know her at the time?

3 A. No.

4 Q. I should point out to you that we expect Patricia Harriss to say
5 that that was not her in the park. Does that shake your
6 recollection at all?

7 A. No, it doesn't bother me.

8 Q. Does it cast any doubt on your memory?

9 A. No.

10 Q. I'll perhaps come back to that. You mentioned a car coming
11 down. Are you able to tell us how much time elapsed between
12 your first encounter with Mr. Marshall, if we can assume it
13 was Mr. Marshall, and the sighting of this car?

1 I was just more in a state of trying to get it off my
2 chest, not really to the point that I didn't think everything
3 through, I just gave the statement according to how I felt
4 in my heart, not really to say -- It was probably after I
5 begin to think and begin to -- It was some -- It was something
6 that all my life I tried to block out because it was -- and
7 still today I guess I'm trying to -- trying to forget. And
8 it's hard trying to forget when you're -- trying -- trying
9 to remember, and it's -- Probably the only thing I could
10 say to that is that it just never entered my mind at that
11 time to say.

12 Q. And they came back and saw you again I take it?

13 A. Yes.

14 Q. And you gave them a further statement on the 20th of April
15 of 1982 which was reproduced on page 49 and following. Now in
16 that statement there were a couple of details I'd like to
17 touch base with you. Now there for the first time you named
18 Patricia Harriss as the girl that gave you the kleenex in
19 the park. Do you recall how you came to identify her as
20 the girl you met in the park?

21 A. Oh, I -- Later on in the years Patricia worked for the
22 Grub Steak in Louisbourg, the restaurant, and I used to go
23 up there and I just -- I began to know her through that. I
24 just -- That's all.

25 Q. How many years after the incident was that?

- 1 A. I don't know. No, I can't --
- 2 Q. More than ten, which would be in 1981?
- 3 A. It could be around that time. It could be around -- No, it
4 wouldn't be -- What did you say, 1981?
- 5 Q. Yeh, about ten years would be 1981.
- 6 A. No, it would have to be before 1979.
- 7 Q. Before 1979?
- 8 A. Yes.
- 9 Q. But however long it was are you saying that when you saw her
10 at that time a number of years later --
- 11 A. I made her acquaintance.
- 12 Q. --you then recognized her as being the girl you saw in the
13 park?
- 14 A. It's -- I don't know really what brought the conclusion.
15 I could have been through everything that had happened.
16 It possibly could have been that it had been the girl that
17 I recognized then, yes.
- 18 Q. I think the other matter is on the statement we touched on
19 in your earlier -- earlier testimony. Finally, Mr. Chant, you
20 provided an affidavit in July of 1982, and I'd like to ask
21 you about two further paragraphs in that, page 53, paragraph
22 nine, you say that:
- 23 "I gave the statement referred to in
24 Exhibit C..."
- 25 Which would be the statement -- the Louisbourg statement.

MAYNARD CHANT, by Mr. Ross

- 1 Q. Okay. Fine. Thank you, and as you walked along -- as you
2 walked along Byng I understand that you ran into two couples.
3 Am I correct?
- 4 A. Yes.
- 5 Q. And this is before the car stopped for you?
- 6 A. Yes.
- 7 Q. And one of these -- As a matter of fact, of the four people,
8 you identified one later on as Patricia Harriss?
- 9 A. Yes.
- 10 Q. Did you also identify another one as Terry Gushue?
- 11 A. I don't recall.
- 12 Q. I see. Do you know Terry Gushue?
- 13 A. In what respect?
- 14 Q. Do you know him to see him?
- 15 A. I don't know. I would have to see him. Is he here?
- 16 Q. Oh, I see. But you don't -- You don't know that you know
17 him right now?
- 18 A. No.
- 19 Q. Okay. Fine. And as far as the other two people are concerned,
20 could you recall anything at all about them? There is
21 Patricia --
- 22 A. Appearance wise?
- 23 Q. Pardon me.
- 24 A. Excuse me. I didn't follow you. What did you say?
- 25 Q. Okay. Fine. I'll slow down. There were four people that

1 Chief MacIntyre?

2 A. There were several points but I can't recall now exactly what
3 they were. It's been five years or more.

4 Q. Do you have any idea at all what they were?

5 A. I know there were several points, maybe a dozen or more that
6 -- things that I had circled between myself and Constable Walsh
7 or Inspector Walsh at that time. I'm afraid I just can't pick
8 anything at this point without reviewing the transcript.

9 Q. And the purpose of your review of the transcript, sir, was
10 what?

11 A. My purpose?

12 Q. Yes.

13 A. Just to review it and see if I could see things in there that
14 maybe weren't consistent with other things that were happening
15 with the investigation.

16 Q. Could you --

17 A. Did I believe such things could happen.

18 Q. all right, and what was your view?

19 A. There were several things I found strange about it. The fact
20 that the Crown Prosecutor had to be reminded of his role by
21 the Justice at that time. The fact that Patricia Harriss was
22 called as a witness but her boyfriend who stuck to his
23 original story was not called to give evidence. It seemed
24 that witnesses were selected to give evidence at that point
25 and not every one was heard.

HOWARD DEAN, by Mr. Spicer

- 1 Q. No. How about John Pratico?
- 2 A. I had seen him in the Pier but I didn't know his name other
3 than he was going back and forth to school and I may be on
4 the crosswalk but I never -- never knew his name.
- 5 Q. Were you made aware during the course of the investigation that
6 Mr. Pratico was giving statements to the police?
- 7 A. I don't recall.
- 8 Q. Did you know Jimmy MacNeil?
- 9 A. No, I never.
- 10 Q. No? Was there discussion around the station as time progressed
11 in late May or early June of the identity of the various
12 people who were giving statements to the police?
- 13 A. I don't recall.
- 14 Q. Do you know -- did you know, for instance, at the time that
15 John Pratico had given a statement?
- 16 A. No.
- 17 Q. Or Patricia Harriss?
- 18 A. No.
- 19 Q. Or Maynard Chant? You don't recollect --
- 20 A. Neither one. No, no recollection.
- 21 Q. Do you recollect any names at all before they gave their
22 statements?
- 23 A. No, I don't.
- 24 Q. No. We heard some testimony again from Scott MacKay. He
25 indicated at the time that he was giving his statement, that

NOTES FOR EXAMINATION OF DR. NAQVI

1. Have him describe the procedures followed at the hospital for record keeping. Have him explain why he was called and that he would be at the emergency room when Seale arrived.
2. Have him describe how the patient is prepared and what happens to his clothing.
3. When he first saw Seale he was in a state of shock (Vol. 16, p.159) and this was caused by a massive blood loss so that there would not be enough oxygen transported to the body and the patient would be cold and clammy.
4. Refer him to the report of operation and determine when it is completed. Why would the "pre-operative diagnosis" not have contemplated a possible tear in the abdominal aorta.
5. When Seale's blood pressure could not be raised when he was given four units of blood, what did this indicate. Have him explain what blood pressure is. How would a tear in the aorta manifest itself in blood pressure. How many pints of blood are in the body. Is it likely that Seale would have lost all of his blood while laying in the street for 10 to 15 minutes.
6. Would he agree that stopping the blood loss is the priority item since that is the life threatening injury.
7. He thought that he made an incision above and below the stab wound and converted it into a paramedian incision would indicate that the wound was vertical and extended for some distance (He says three inches).
8. The presence of the huge hematoma would indicate you have a tear in the aorta or in the vena cava.
9. Take him through the report of operations in detail and get explanations for the various terms used.
10. Have him agree that Seale died because of hemorrhage and shock (Vol. 13, p.60).
11. Point out that the aorta was only cut in the front (Vol. 13, p.64) and that there was only one cut (Vol. 13, pp. 11, 13, 32, 55).
12. Refer him to the report of Evers (Vol. 16, p.92) and the evidence of Evers (Vol. 1, p.61, and Vol. 1, p.104) which indicates the jacket worn by Seale have a cut on the front and on the back and if the wound had penetrated through the body, would his report of operations have made note of this.

13. Is it possible there were three stab wounds (Vol. 16, p. 3).
14. Is it possible for a three inch knife to cause the type of injury which he saw.
15. Would it have been possible for Seale to have run approximately 100 feet after having been stabbed.
16. If the aorta is cut, why wasn't the retroperitoneal membrane cut also such that blood could escape.
17. What is his experience with autopsy. When is an autopsy ordered. Is he aware that an autopsy could have revealed information such as scrapings under the nails, various fibres, bruises and other information which could be of interest to investigators.

JOHN F. MacINTYRE, by Mr. MacDonald

1 gave you that there were two people there and he gave
2 you the description and you had a description from the
3 two MacNeils confirming or at least corresponding in
4 many particulars, to Marshall's description? What were
5 you doing to try and assist his part of the story?

6 A. These -- Those two people that MacNeil seen were over on
7 the other side of the park in my understanding at the
8 time and the people that Marshall was talking about were up
9 on Crescent Street and as I said before, the description
10 wasn't the same in all respects and they couldn't offer
11 me anything further on it. They didn't witness any
12 stabbing, the people that were down in the park.

13 Q. It seems to me, Chief, that the fact that you didn't try
14 and get Bob Patterson or didn't get him and the fact
15 that you didn't follow up anything that the MacNeils
16 were telling you, that you weren't particularly interested
17 in finding any evidence that would support Donald Marshall's
18 story.

19 A. We couldn't find Bob Patterson and as I already said, the
20 only evidence that the MacNeils could offer was a description
21 at that time and they didn't see the party that they --
22 that they were looking at doing anything.

23 Q. They saw them in the vicinity, Chief, of this stabbing.

24 A. They seen them in the park but this happened up on Crescent
25 Street and --

JOHN F. MacINTYRE, by Mr. MacDonald

1 Q. Chief, that's not very far, is it?

2 A. No, -- No but my understanding was they seen them on the
3 other side of the bridge in the park towards George. I
4 thought that's -- that's the area

5 Q. Well, let's look at page 26 of volume 16.

6 A. Yeh. 26?

7 Q. That is the -- That's the statement of the MacNeils?

8 A. That's correct, sir.

9 Q. Now, let's go through it and we'll give you the chance
10 to tell me why you --

11 A. Okay.

12 Q. -- you thought that.

13 We left the dance at St. Joseph's...
14 We walked through the park and seen
2 men hanging around.

15 And then gives you the description.

16 They spoke to a fellow and a girl
17 sitting on a bench closest to the
railroad tracks as you come over the
18 hill. They asked them for a cigarette.
The grey haired fellow said he had
just a dollar.

19
20 And that's the -- that's the result. That's the totality
21 of their description of where they saw this person. Now,
22 they saw two people, --

23 A. Yes.

24 Q. I suggest to you, whose descriptions correspond in many
25 particulars with those given to you by Marshall.

11:32 a.m.

1 | A. Yes, they --

2 | Q. They told us they saw them in that park, Wentworth Park,
3 | on the same night at or around -- somewhere around 11:40
4 | and a stabbing occurs up on Crescent at around midnight.
5 | Don't you think that's significant evidence that should
6 | be tracked down?

7 | A. Well, yes, but I still don't -- We took that into consideration
8 | of course. I did take that into consideration, what they
9 | said but it was a different description as far as clothing
10 | was concerned and I had no other thing to go along with that.

11 | Q. What did you --

12 | A. And more than -- the only witness I had to the stabbing, as
13 | you know, at that time was Marshall.

14 | Q. Not at that time.

15 | A. No, not at that time, no. On May the -- No, maybe this
16 | was May the 31st. Yeh, this was Monday.

17 | Q. You had -- You had other people.

18 | A. I had the statement Sunday evening, yes. Yeh.

19 | Q. What did you do? As a policeman, what did you do to try
20 | and find the people that were described by the MacNeils
21 | to you on May the 31st?

22 | A. In particular the two people there, as you say, I -- I came
23 | up with nothing with that.

24 | Q. Well, I'm not argueing what you came up with.

25 | A. Yes.

1 opinion that he was out there that evening with me.

2 Q. And are you confident that he was present when Gushue gave his
3 statement?

4 A. I -- In my opinion, I think he was. Well, I'm looking back
5 to '71, I think Urquhart was there with me on that particular
6 night.

7 Q. Now, was that statement from Gushue -- Would it contain every-
8 thing that was said that night?

9 A. I would say, yes. Except --

10 Q. In the --

11 A. Except whatever opening words I said to him. The rest of the
12 statement is in question/answer form.

13 Q. Is that the first time you had seen Gushue?

14 A. Yes, I had no dealings with Gushue on this before that.

15 Q. Gushue has testified that he gave you an earlier statement.

16 A. Gushue -- I had no earlier statement from Gushue, sir.

17 Q. You did have no earlier --

18 A. I had no earlier statement from Gushue, no.

19 Q. How did you know that -- That's -- Okay. Now, in the first
20 long answer on page 69, he talks about having been kicked out
21 of the dance and going down to the park, and there's that name,
22 Robert Patterson, again. That's the fellow that you never found.

23 A. That's correct, sir.

24 Q. Did you make any further effort after you spoke to Gushue to
25 find Patterson who seemed to have seen a lot in the park that

JOHN F. MacINTYRE, by Mr. MacDonald

1 night or spoken to a lot of people?

2 A. Yes, the police were looking for him, and he wasn't located.

3 Q. Did you ask Gushue where Patterson lived?

4 A. No, I don't believe I did.

5 Q. Even though by this time, you'd been looking for him since
6 May the 30th?

7 A. Yes, I would've liked to have questioned Patterson if he showed
8 up.

9 Q. If he showed up?

10 A. Yes, if they'd come in -- if they'd ran into contact with him.

11 Q. But you had a man here who knew him.

12 A. Yeh.

13 Q. Why wouldn't you have asked him where he lives?

14 A. I didn't, sir.

15 Q. And then Mr. Gushue goes on to say:

16 I remember seeing Donald Junior
17 Marshall on Crescent St. with
another man.

18 Do you see that?

19 A. Yes. Wait now.

20 Q. You never asked him at any time whether there was more than one
21 man?

22 A. No, he said with another man. I was taking his answer for
23 the -- what he was giving me at the time.

24 Q. Why would you take his answer and not Patricia Harriss's?

25 A. Well, we had her answer before that.

1 Q. But you didn't believe it?

2 A. There was something -- It wasn't the same evidence in the two
3 statements when I was through with this statement.

4 Q. You don't seem to ask him to describe the other man. Why
5 wouldn't you have done that? Wasn't that of interest to you?

6 A. Well, I -- He said there was another man there, and I asked him
7 if he knew the other man, and he said no. I asked him if he
8 knew Sandy Seale; he said no.

9 Q. But it would seem to me to be pretty fundamental to ask him --

10 A. Yeh.

11 Q. -- "What did the guy look like? How old was he? What was he
12 wearing?"

13 A. Yeh.

14 Q. You didn't ask him any of those questions.

15 A. No, the questions I asked him are written down here, sir.

16 Q. I realize that, Chief. You've told us that.

17 A. Yeh.

18 Q. I'm trying to find out why you wouldn't have asked him those
19 very basic questions?

20 A. I have no answer for that at this time.

21 Q. But in any event, based on what Gushue said at eleven forty,
22 you decided to take another statement from Patricia Harriss, is
23 that correct?

24 A. That's right, yes.

25 Q. And you said in your affidavit, that we had already looked to,

JOHN F. MacINTYRE, by Mr. MacDonald

1 Q. I won't argue.

2 A. I think that's what she said.

3 Q. If we go back to Ms. Harriss' statement, she also talks about
4 Robert Patterson. For there is someone else who saw Patterson
5 in the park that night?

6 A. Yeh.

7 Q. You didn't ask her where did Robert Patterson live?

8 A. Not to my recollection, no.

9 Q. And if you had I take it it would be written in the statement?
10 Can we assume that?

11 A. Yeh, I have no recollection of asking about Robert.

12 Q. If you had asked it--Chief, if you had asked the question, can
13 we assume that the answer would be here?

14 A. It should have been -- It would be here, yes.

15 Q. Thank you. She said:

16 ...we went up Crescent St. and by
17 the green apt. building, we met
Junior Marshall.

18 Is that the building, the same building that has the railing
19 up the middle that was talked about by Chant?

20 A. No, the -- Well, it's the next building to it, yeh.

21 Q. Then you asked this question:

22 Q. Was there anyone with Junior Marshall?

23 A. Yes

24 Q. Who was it

25 A. He had a dark jacket on

JOHN F. MacINTYRE, by Mr. MacDonald

- 1 Q. Was it Sandy Seale.
- 2 That's a pretty leading question. And you're suggesting to
- 3 her who was there, aren't you?
- 4 A. No, I was asking her a question at the time. I think there's
- 5 more to that question, then I said, "Do you know him"?
- 6 Q. You were the one --
- 7 A. Then the answer -- Then the answer was, "Yes, I know Sandy and
- 8 it looked like him".
- 9 Q. But it was the question that raised Seale?
- 10 A. That's the question --
- 11 Q. It was a volunteer from her?
- 12 A. No, no, I asked the questions for sure, yeh.
- 13 Q. And even though she had told Urquhart four hours earlier that
- 14 she did not see Sandy Seale in the park you put the question
- 15 to her anyway?
- 16 A. I put the question to her, yes.
- 17 Q. And on the next page you asked:
- 18 Q. How were they facing
- 19 Why was that of importance to you?
- 20 A. I suppose it was the question I seen fit to ask at that time.
- 21 I don't see anything wrong with it.
- 22 Q. Did you tell Ms. Harriss that you expected the O'Reilley girl
- 23 would tell you that she had been in contact with Harriss?
- 24 A. No, sir.
- 25 Q. No mention of that?

9562 MR. URQUHART, EXAM. BY MR. ORSBORN

1 MR. ORSBORN

2 That's my point.

3 MR. MURRAY

4 Just from the point of view, My Lord, that in view of the
5 nature of the allegations he may be able to comment as to
6 whether that's the kind of thing he would remember and whether,
7 in fact, that...therefore, that took place.

8 MR. ORSBORN

9 Fine.

10 MR. CHAIRMAN

11 What you're asking Mr. Orsborn to do is to try and refresh Mr.
12 Urquhart's memory.

13 MR. PUGSLEY

14 Well, in fairness to the witness what he should be asked to do
15 is to put to this witness what Patterson is apparently going to
16 testify to. I think he...this witness has an opportunity of rebutting
17 that, if Patterson is going to make allegations.

18 MR. ORSBORN

19 Yeah, that's what I have been endeavouring to do, but given
20 that Mr. Urquhart said he wasn't there and didn't remember being
21 there it seemed not much point in pursuing the details of the
22 interview in any event.

23 Q. Mr. Patterson, as I have said, is anticipated and that's all I can
24 do is anticipate, that he was picked up at his house by two
25 uniformed policemen and was taken to the police station and

1 that he was interviewed by yourself and Chief MacIntyre.

2 Are you able to...repeating somewhat, but do you have any
3 comment or contradiction you wish to make about that?

4 A. No, I can't remember of ever interviewing Bobby Patterson on
5 this particular case.

6 Q. Okay. Mr. Patterson will say that he was interviewed by
7 yourself and Chief MacIntyre and that during the course of
8 the interview you left the interview room and returned some
9 ten minutes later with a typed statement which was then
10 presented to Mr. Patterson. Mr. Patterson is anticipated to
11 testify that he was not allowed to read the statement, but that
12 he was told by Chief MacIntyre that this statement is about
13 Junior and what Junior did in the park, and that he was then
14 asked to sign the statement. Does that in any way help your
15 memory?

16 A. No, sir.

17 Q. If Mr. Patterson testifies to that effect are you in any position
18 to either confirm or contradict his testimony?

19 A. I would say it was wrong because you never write out a
20 statement and give it to somebody to sign or leave the room
21 and make up a statement and ask somebody to sign it. It's
22 just not done by me and I'm absolutely positive it wasn't
23 done in this case because it's not done, it's not good ethics in
24 the first place to type up a statement and ask somebody to
25 sign it or write it up and ask somebody to sign it without

1 going over it, without being in their words.

2 12:00

3 Q. Is your contradiction based on what you believe to be
4 accepted practise rather than knowledge of what actually
5 happened in this case?

6 A. I have no knowledge of interviewing Bobby Patterson as I
7 said before, and that's the practise that we would follow. You
8 just don't make up statements and hand them to people and
9 say, "Don't read it, just sign it."

10 Q. Mr. Patterson is also anticipated to testify that during the
11 interview he was handcuffed to the chair on which he was
12 sitting. Are you able to make any comment either confirming
13 or contradicting that?

14 A. Highly unlikely.

15 Q. Highly unlikely.

16 A. Yes.

17 Q. Possible.

18 A. No, I don't believe it would be.

19 Q. Have you ever seen a witness handcuffed to a chair?

20 A. No.

21 Q. In your experience?

22 A. Never.

23 Q. Mr. Patterson has also anticipated, testified that during the
24 interview, he was pushed around somewhat on his chair by
25 Chief MacIntyre, the chair having wheels on it. On that

1 occasion, he was man-handled somewhat with a hand being
2 placed on his head and his head being pushed onto the table.
3 Are you able to either confirm or contradict any aspect of
4 that?

5 A. I've taken a lot of statements with John MacIntyre and I've
6 never seen him man-handle or try to or attempt to man-
7 handle any witness.

8 Q. So is it your evidence, then, based on your experience, that if
9 Mr. Patterson testifies to that effect, it will be incorrect?

10 A. I would say it would be very incorrect.

11 Q. From your knowledge of Mr. Patterson, are you able to
12 suggest any reason why he might be inclined to give
13 testimony of that nature?

14 A. No, sir, I haven't.

15 Q. Chief MacIntyre testified at this Inquiry on a number of
16 occasions in answers to questions from Mr. MacDonald that,
17 yes, we would have liked to have found Mr. Patterson, we
18 tried, we sent our men out. We just couldn't find him. I don't
19 know, I don't think you were here for that...

20 A. No.

21 Q. For that testimony but that is the essence of his testimony on
22 a number of occasions. Given the size of Sydney, it's not a
23 particularly large town, given the nature of the record that
24 Mr. Patterson has, can you suggest any reason why Mr.
25 Patterson could not have been located?

1 A. No, unless you go to his home and somebody would tell you
2 that he wasn't in.

3 Q. But you just wouldn't make one attempt, surely.

4 A. No, no, you'd make more than one attempt and you'd have,
5 the fellows in the patrol cars are watching for him, too,
6 because some of them they would likely know.

7 Q. Sure. Do you then consider it likely that over a period of days
8 or weeks Mr. Patterson could not have been found?

9 A. I don't know. We didn't come up with him so I have no more,
10 I can't answer to why we didn't.

11 Q. Your evidence is you did not find him.

12 A. No, my evidence is that we didn't find him, to my knowledge.

13 Q. The records indicate that in September before Mr. Marshall's
14 trial, Mr. Patterson was in jail.

15 A. At the county jail? I imagine, yeah.

16 Q. I presume. It's indicated on, I believe, County Jail, page 11,
17 Mr. Urquhart. It appears to be "Co. Jail", County Jail.

18 A. That was the first of September.

19 Q. Yes.

20 A. Yeah.

21 Q. Before Mr. Marshall's trial. Where is the county jail located?

22 A. At that time, it was on Welton Street.

23 Q. In Sydney?

24 A. Yes, on the way you go out to the K-Mart now and to Glace
25 Bay.

NOTES FOR DISCUSSION WITH DR. ROLAND PERRY

Is there any evidence from Naqvi or the medical records to show that the wound passed through the body.

Given the tremendous loss of blood being experienced, wouldn't it be virtually certain that the aorta was ruptured.

What type of knife would be required to inflict the injuries which were sustained; recall the evidence of the R.C.M.P. that the knife did pass through the body and cut the jacket in back.
